 Extraordinary Expences of the War. £ 28,268,596⁺
 £ 29,190,354

* Perhaps the Navy Debt incurred
 in this year did not quite amount
 to so large a sum, it is however
 within a trifle of it, supposing
 the above estimated at £807,372. Thus
 the above estimate will agree exactly with
 the said Services as certified on the other page.

£32,367,498.
