East India House, 21st April 1796. (Errors excepted.)

Wm WRIGHT, Auditor of Indian Accounts.

0101

The image shows a page with a large, faint grid or table structure. The grid lines are very light and the text within the cells is illegible. The table appears to have multiple columns and rows, with some faint text visible in the lower-left quadrant. The overall appearance is that of a ledger or data sheet that has been scanned with high contrast, making the details difficult to discern.
