The above is transcribed from the Account kept Grenville, had in his hand

- In stating the Max. Expense of 1795 he has omitted
1. The vote of credit £2,500,000
  2. He has omitted of Army Extraordinaries £1,535,066
  3. He has understated the Navy Debt

\* Total Army Extr. 1795 amount to £5,057,791. instead of £3,532,664. as he has calculated it. Contracted in the Year 1795 nearly £1,000,000

£5,025,066

To the Sum Total in the Account below ought to be added £ 516,750 taken from the Grants of 1796. towards the Expence of Navy 1795 £ 33,414,196

*War Expence as stated in the printed Heads of Lord Lansdowne's Speech.*
