N. B. Vacancies in the Invalids are supplied from the Out-Pensioners of the Royal and Chelsea Hospitals. The Pay of Vacancies in the Artillery is allowed for Sixty-one Days as a Recruiting Fund.

**B**Y His Majesty's Royal Letter, dated the Eighteenth of *July* 1749, the four Non-Effective-Men which had been usually allowed upon the Muster-Rolls of each Troop of Horse and Dragoons and Company of Foot in the several Regiments on the Establishment of *Ireland*, to make good Losses by Deaths, Desertions, &c. were discontinued from the 25th of *December* 1748; and in lieu thereof, their full Pay placed in distinct and separate Articles on the said Establishment; and directed to be disposed of in the Manner and Proportions following. The Subsistence of one Man a Troop and Company to the Colonels of the respective Regiments, in lieu of all customary Allowances and Pretensions; the Subsistence of one Man a Troop and Company to the Agents of the respective Regiments, in lieu of their customary Allowances; and the Subsistence of two Men a Troop and Company to the respective Captains, for the Charge of Recruiting and other Regimental contingent Expences, and customary Allowances; and the Remainder of the Full-Pay of the said four Men, after the usual Deductions, to be issued as Off-reckonings upon the respective Colonels Assignments, towards enabling them to supply the Loss of Clothing by Desertion, &c. But in case there shall appear upon the Muster-Rolls any Cheque upon any Troop, or Company, not only such Cheque to be deducted as usual, but also, the said Subsistence of two Men to be deducted from the Captain, who shall have such Cheque on his Troop, or Company, for such Time as such Cheque shall appear; the Benefit of the said Subsistence-Money to the Captains being intended only on Condition, and during the Time that they keep their respective Troops and Companies complete.

N. B. As it may be thought from the above State, that the Poundage Fee from the Army only ; is an Income to the Vice-Treasurer of no less than 9857 11 s. per Annum, it may not be improper to observe here, that his Proportion arises on the Hereditary-Revenue only : For whatever Part of that Fee arises on the Additional-Duties (which are granted and continued from Session to Session only) is repaid by the Vice-Treasurer ; as a further Aid to His Majesty.

As it is necessary for the Officers of each Regiment to know the Regulations of the Royal Hospital to determine the Right of Invalids, they may have Occasion to recommend for his Majesty's Bounty, here follows the Rules

Rules, Orders and Regulations, made by the Governors of the ROYAL HOSPITAL of King CHARLES the SECOND, for the Qualification and Admission of the Invalids of the Army of Ireland.

An Extract from the CHARTER of the said HOSPITAL.

AND the said Governors shall and may have full Power and Authority to nominate and appoint when and as often as they shall think good, such a Number of Officers and Soldiers of the said Army, who during their Continuance therein, have been, or shall be maimed, or who having served seven Years at least in the said Army, have been, or shall become Aged, Infirm, or Unserviceable."

THIS Clause is not to be understood as if the Term of seven or a greater Number of Years did entitle any Man to the Benefit of the said Hospital, unless he shall be rendered entirely unserviceable by Age, or Infirmities, contracted in the Service.

The Time of Service is to be particularly mentioned in every Discharge given to non-commissioned Officers or Soldiers.

If any non-commissioned Officer or Soldier, shall be discharged at his own Request, the same shall be specify'd in his Discharge, such being deemed disqualify'd.

If any non-commissioned Officer or Soldier shall be turned out of the Service, as an Offender, by the Judgment of a Court-martial, the President of such Court-martial is to order the Name of such non-commissioned Officer, or Soldier, to be immediately returned to the Register of the Hospital.

If any non-commissioned Officer or Soldier (being discharged for any chronical Distemper) shall be recommended to the Benefit of the Hospital, a Certificate thereof shall be produced from the Surgeon of the Regiment, and the Officer commanding the Troop and Company, wherein he hath served, together with the usual Certificate of his Service, signed by the Officer commanding the Regiment.

All Incurables admitted from the Infirmary of the Army, are to be reckoned in the Rotation of the Regiment wherein they served.

That no non-commissioned Officer or Soldier, discharged before the 25th Day of March 1734, and not subsisted by the Regiment wherein he served, shall be admitted till the Invalids at present in the Service are first provided for.

That every non-commissioned Officer or Soldier, who shall be discharged from the Service after the 25th Day of December next, and apprehends, he is entituled to the Benefit of the Hospital, shall within six Calendar Months after such his Discharge, lodge his Pretensions with the Register of the Hospital, otherwise he shall be deemed to have forfeited the same to all Intents and Purposes whatsoever.

No non-commissioned Officer or Soldier, entituled to the Benefit of the Hospital, is to be discharged until Provision can be made for him therein; or his having in the interim, the same Allowance from the Regiment wherein he served, that he would have upon his Admission to the Pension of the said Hospital.

As twenty one Days Notice previous to any Admission of Invalids, will be given by a printed List of the Regiments in Rotation, the Governors of the Hospital expect, that an Officer and the Agent of every Regiment mentioned in the said List, should attend on those Occasions, and have their Invalids ready for a personal Examination, without which no one is to be admitted.

And to the End that both Officers and Soldiers may know the necessary Qualifications for the benefit of the Hospital, the Governors thereof have directed that these Rules, Orders, and Regulations be printed, should be delivered to the Agents, to be by them sent to every Troop and Company of their respective Regiments; and that Care may be taken to have the same upon every Muster read at the Head of every Troop, and Company, in the Army of Ireland.

Signed by Order the 18th Day of October, 1736.
